## Weekly Update

When most of the country has already broken up for Easter, this has been our busiest week yet. The Year 3 and 4 pupils and staff excelled themselves in the multiple performances of 'Spring Chicken' this week. There were several tear-jerking, goose bump moments when over 100 pupils joined together singing their hearts out.

On Monday a courageous group of Autistic Children led the assembly to highlight Autism Awareness Month. I can not tell you just how proud I was to see these brave pupils standing in front of their peers explaining what it means to have autism: both the challenges and the benefits.

This week we also held our termly Parental Consultation Meetings. If you missed yours or were unable to book one, please contact your child's class teacher to rearrange one for the new term. Thank you to everyone who completed the questionnaire. We will collate these and feedback to you the results. Alongside this we have had a Local Governors' Meeting.

We wish you a peaceful Easter and look forward to seeing you back in school on Tuesday 29th May 2025.
