## Henry Hinde Update

Thank you to the parents who were able to join me for the recent Parent Forum on the proposed changes to our school uniform for September 2026. It was incredibly valuable to hear your thoughts, questions, and suggestions. Our Pupil Leadership Team has also been hard at work: they have met with me, led information sessions, and organised ballots on the proposed change of colour for PE tops. Their maturity and enthusiasm have been wonderful to see.

As we move forward with plans for the upcoming merger, we have a unique opportunity to reflect on how we do things and ensure we continue to deliver the very best for our children and our community.

I would like to share how proud we are of the way all our pupils approached the recent Assessment Weeks. The Year 6 team worked incredibly hard to deliver the assessments in a 'SATS style' format to help prepare children for May, and staff across the school pulled together to make the experience positive and calm. The children showed real resilience and focus.

This week, pupils also took part in Safer Internet Day. Thank you to Mrs Mann for sharing activities that helped children explore important themes such as:

- What AI is and where children encounter it online
- How to make smart, safe choices when using apps and online tools
- Understanding respectful and responsible behaviour online

These conversations are vital in helping our children navigate an increasingly digital world with confidence and care.

We have also marked **Children's Mental Health Week**, with a number of activities taking place in classrooms. GoNoodle has been a brilliant resource, offering simple breathing techniques the children can try—[GoNoodle Star Breath](#) is a favourite and takes less than two minutes.

Today has certainly been filled with love and kindness. Valentine's cards, bunches of flowers, chocolates, and baked treats have been shared with staff and pupils. Your generosity has been truly appreciated and the Henry Hinde team would like to say a heartfelt thank you.

We wish you all a wonderful half term break and look forward to welcoming the children back to school on **Monday 23rd February**. Enjoy the rest, the time together and hopefully weather where you can get out and about.

### **British Science Week**

British Science Week takes place from 6th–15th March. During this time, we would like the children to learn about the real-life applications of science. If you—or someone you know—has a job linked to science and would be willing to come into school to talk to the children about it, we would love to hear from you.

If you are interested, please speak to your child's class teacher or Mrs Walton.

Thank you for your support.

### **Underwear Donations**

If you have any boys or girls pants that your child has outgrown, please donate them to the Grenville site for us to use as spares. Thank you.
