Weekly Update

Monday saw the Grenville site School Hall transformed as the Reception children welcomed an array of pets. The children found out how these animals are cared for and what they need to survive. Thank you to all those parents / carers (and Miss. Marriott) for spending time to bring in your pets. The children had a fantastic time.

On Tuesday, the Cornwallis site received a visit from our Trust's CEO, Mr. James Higham, who observed the children undertaking either their History or PE learning. As we entered the Year 6 classrooms all the children were wearing their own luggage tags and were learning about some people's perceptions of the evacuees during WWII. (My own father was one of those evacuees who was sent down to North Devon, which remained one of his favourite places.)

On Wednesday the Year 2 children joined other schools at Rugby High School for a cricket festival. I have it on good authority that we have a number of extremely good bowlers in the making.

On Thursday the Year 3s travelled to the beautiful Compton Verney to find out more about the Stone Age. They even had a go at building with wattle and daub. Meanwhile on site: Mrs. O'Neill showcased her mathematics expertise to a number of teachers from schools in the Midlands by teaching a Maths Mastery session; The Reception children had their height and weight measured by the school nursing team (Compass) and we had our termly safeguarding audit led by our Trust.

We could not offer so many experiences without your support. Thank you to everyone who helped make these special moments in learning happen.

Mrs. Edwards

Parent Evenings

Parent / carers on both sites should have now received an invitation to book a 10 minute slot to come and speak to your child's class teacher in the coming weeks. If you have not, please contact the relevant office in order to do so. Due to time limits, we are only able to offer one slot per child.

YOU SAID . . .

We would like more information on where my child is according to their Year Group on both sites.

WE DID . .

Before Parents' Evenings you will receive a mini report on how your child is doing. You will also be told what your child needs to work on next.

Behaviour

There are currently two different behaviour policies run on the two different sites. This can become confusing for the children moving from Year 2 to Year 3 and for the members of staff who operate on both sites. We would value your feedback. Look out for a brief questionnaire at parents' evenings. We want to know what is and what is not working well from your perspective as a parent / carer.

The whole staff will be working on our new Behaviour Policy during the next staff training day so would value your feedback.

Car Parking

Car parking around both sites is still a major issue. Please add two more minutes to your morning and park away from school if you are able to and walk rather than park dangerously.

If you do spot a vehicle causing a danger, please report them directly to the local police.

Thank You

Thanks you to everyone who ensures that their child arrives on time every morning. I can not begin to tell you what a difference that makes to your child coming into school. They are there for the start of their learning and do not miss what they are doing. Children arriving late on the Grenville Site often have to walk through the whole school assembly which can be very upsetting.

We appreciate that getting the morning routine right can be challenging. If you need any support, please contact the school office and we would be happy to talk this through with you.

Goodbye and Thank You

It is with great sadness when one of our staff moves on to new and exciting opportunities. Mrs. Jones has worked with us as a Learning Support Assistant for over 5 years working in all year groups over the years. She has supported a wide range of children with a smile and determination. She will be greatly missed and we wish her all the best in her brand new role. And in her own words, 'Teamwork makes the dream work!' (Well, that and chocolate!)

Harvest Festival

Come and join us in the school hall on Wednesday 25th October at 9.15am as we celebrate Harvest led by our Year 1 and Year 2 children (Reception do not take part in whole school assemblies so early in the school year).

We have decided to continue supporting Rugby Food Bank this year through the contribution of items from the shopping list here.

This amazing charity, based near the town hall, gives out free food parcels to those that have no other option to feed their family.

If you are in a position where you could purchase one additional item from the list, we will be collecting them from Monday 16th October.
