## Henry Hinde Update

What a week it has been at Henry Hinde. Our oldest pupils have spent the past few days tackling their KS2 SATs with such a level of maturity and resilience. They truly have been remarkable.

Each of our children is wonderfully unique, with their own strengths, quirks, talents and ways of shining. SATs are just *one* moment in their journey, a snapshot, not the whole story, and there will be countless other opportunities in life where they will shine in their own way.

A huge thank you to our whole school community for the nurture, encouragement and learning opportunities you have provided these pupils throughout their time with us. Their attitude this week reflects the dedication, teamwork and care shown by everyone involved. We are very proud of them.

Meanwhile, over in Years 1 and 2, the hall has been buzzing with excitement as families joined us for the DT fire engine workshops organised by Miss Gaskin. It was wonderful to see so many of you rolling up your sleeves and getting stuck in. The children absolutely loved it and we are so grateful for your enthusiasm and support. A big thank you to Miss Gaskin for arranging such great opportunities.

Looking ahead, we will be updating the school calendar for the summer term, so please do keep an eye on the dates section of this newsletter.

On Transition Day 1 — Wednesday 8th July, you are warmly invited to drop in after school to meet your child's teacher for the next academic year. This will take place between 3.30 and 4.30pm on the Cornwallis site. The children will already have spent the day in their new classrooms, though the spaces may look a little different to how they will appear in September — we have some "musical classrooms" planned over the summer!

End-of-year reports will be shared with you on July 10th. If you would like to speak with your child's current teacher about their report, there will be an opportunity to drop in after school on July 15th. More details will follow closer to the time.

Thank you, as always, for your continued support. Our school is the wonderful place it is because of the children, the staff and the families who make up our community.

Wishing you all a restful weekend...preferably one that involves sunshine!

### **Help Us Make the Colour Run A Spectacular!**

As you may have seen from our recent "Save the Date," Friends of Henry Hinde Colour Run is coming to the Cornwallis Site on Friday 19th June! To make this family event even more exciting, we are planning a raffle, and we need your help to make it a success.

We are looking for donations of prizes from local businesses, services, or even talented individuals within our school community.

#### **How you can help:**

Do you run a local business? Would you be willing to donate a voucher, a gift hamper, or a service?

#### **Do you have a contact?**

If you have a favourite local cafe, salon, or shop, please consider asking if they would like to support our school charity.

#### **Charity Status:**

For any business that requires it, please note that we are a Registered Charity (No. 1215771).

We are more than happy to give any donating businesses a "shout-out" on our social media pages, colour run event and in our school newsletter.

#### **Where to drop donations:**

If you have a prize to donate, please bring it to the School Office.

Our wonderful office team will be collecting all items on behalf of the PTA.

Every penny raised from the raffle goes directly back into enhancing the Henry Hinde school experience for our children, so every donation—big or small—makes a massive difference.

Thank you for your incredible continued support!

Week beginning 11th May 2026

These are the questions we have discussed in school and in assemblies this week.

We would like to share these questions with you so that, at home, you can take some time to discuss with your children the music and the songs they have listened to.

What instruments can you hear?

How is rhythm used differently?

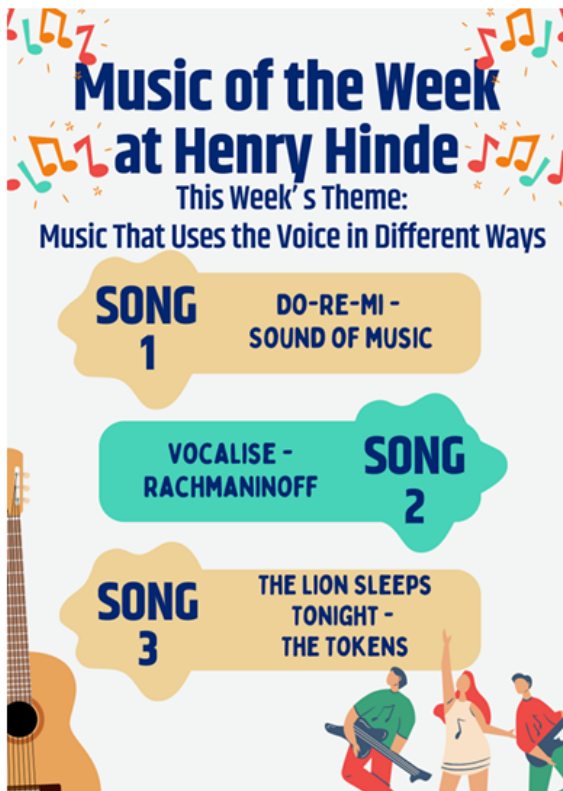

Why do cultures have traditional music?

How does music help celebrations?

What emotions does the music show?

Miss Stonell and Mrs Patel

Week beginning 18th May 2026

These are the questions we have discussed in school and in assemblies this week.

We would like to share these questions with you so that, at home, you can take some time to discuss with your children the music and the songs they have listened to.

How many voices can you hear?

What is harmony?

How does the voice change mood?

Why is singing important?

Can voices replace instruments?

Miss Stonell and Mrs Patel

### Registration for the 11+ test is now open

If you would like your child to be considered for a Year 7 place at a Warwickshire grammar school in September 2027, then please register your child for the 11+ test by the deadline of 4pm on Monday 30 June.

The 11+ test is used to assess whether a child is eligible for a place at one of the county's grammar schools. The test is open to all children who will be starting secondary school in September 2027 (those currently in Year 5), and registration is now open.

The test itself will take place on 12 and 13 September 2026, and parents will receive their child's results in October, before the deadline to apply for a secondary school place (31 October).

Register your child for the test through your Warwickshire County Council parent portal account.
