Weekly Update

I would like to commend everyone on our Cornwallis site to you.

There are certain times of the year when the whole school pulls together. This last week has been one such time.

The Year 6s excelled themselves in the way that they approached their SATs. All of the staff worked together to support the year 6s with such tenderness. The rest of the school worked without disturbing the top corridor, knowing how important this time was.

Thank you for acting with kindness, caring and perseverance in what could have been such a stressful time.

Ofsted - The Big Listen – we want to hear your views!

The National Centre for Social Research (NatCen) is carrying out a short survey on behalf of Ofsted. We want to hear from parents/carers of children who are under 18 years old. It should only take around 10 minutes to complete. We are interested in views of, and any experiences with, Ofsted, including Ofsted's inspection, regulation and reporting practices. We really want to hear from a wide range of parents and carers, even if you don't have strong opinions about Ofsted, or haven't had any experience of Ofsted. The survey findings will be used to help Ofsted improve the way it works in the future.

Please click on the following link to find out more or take part in the survey:

You can look at our Taking Part webpage for more information about the research, and our Privacy Notice for what will happen to any information you give. Links to these webpages are included in the survey.

Cuddly Toys

We are seeing an increase of children bringing cuddly toys into school.

Please do not send your child to school with any toys from home.

Thank you.

Decking Off Cuts

If you have any off cuts from decking, please consider donating them to school.

Please bring any to the Grenville office.

Thank you.
