Weekly Update

Thank you for all your support with the past week's events. We have a jam-packed few weeks ahead in the lead up to Christmas. Please keep your eye on the dates coming up. We will send out regular reminders via ParentMail.

We are also working on a joint Facebook page for both sites so that you do not need to look in lots of different places for information. With this in mind I am running a Parents' Forum group in two week's time in order to find out from you what is working well in terms of communication between home and school and what could be made even better. Please feel free to pop along to either event. If you are unable to make these, please send in your comments to either office for the attention of Mrs. Edwards.

It was lovely to see so many of you at the Year 3 exhibition event today as the children demonstrated their learning from the past term. Well done Year 3!

Christmas Performances

We are looking forward to seeing you at our Christmas Performances. The Dress Rehearsals are open to Grandparents to attend. The children have started learning their words well.

If you have a pre-school child or baby, please come along to the Dress Rehearsal as well and not the actual performance. We want to make sure that every single child can be heard for their big moment on stage. If you arrive with a pre-schooler or baby you will not be allowed in unless it is for the Dress Rehearsal. We really appreciate your co-operation with this.
