Swift	Ariella and Matilda
Buzzard	Elisha and Emily
Bullfinch	Luna and Elena
Kingfisher	Adam and Nicole
Kestrel	Ethan and Thea
Goldcrest	Emil and Amaiyah
Greenfinch	AaroHi and Loki

Henry Hinde Update

As we move through the Summer Term, our school calendar continues to be incredibly busy, with children engaging in a wide range of exciting learning opportunities and memorable experiences.

I would like to take this opportunity to praise all of our children who have recently undertaken their end-of-year assessments. They have approached these with remarkable maturity, resilience and dedication, taking every opportunity to showcase the knowledge and skills they have developed throughout the year. Teachers are currently collating assessment information and preparing end-of-year reports, but our initial discussions already highlight just how proud staff are of the progress and achievements demonstrated by the children across the school.

Yesterday's after-school Art Gallery was a wonderful celebration of creativity. It was fantastic to see the breadth of artists that the children have studied and the variety of techniques they have explored throughout the year. The quality of work on display was exceptional and reflected the enthusiasm and talent of our young artists. A huge thank you goes to Miss Swaden for her hard work in organising such a successful event and creating a wonderful opportunity to showcase the children's achievements.

Today we are looking forward to our PTFA Colour Run, which promises to be a vibrant and memorable event. We're sure it will add plenty of colour to everyone's day! Thank you to our PTFA for their continued support, enthusiasm and hard work in organising events such as this for our school community. We look forward to seeing lots of families there and making some colourful memories together.

Thank you to everyone who has submitted alumni photographs so far. There has been lots of interest in this project, but we would love to receive even more photographs. If you or someone you know attended the school and has a photograph to share, please do send it in. It will be wonderful to celebrate the history of our school through the generations of children who have been part of our community.

Our Year 6 pupils enjoyed an exciting visit to Twinlakes last week. Despite the wet weather, they persevered through the rain, making the most of the rides, attractions and time spent together creating lasting memories. We are extremely grateful to the volunteers who generously gave their time to support the trip and help make the day such a success.

Meanwhile, the first week of Year 6 swimming has got off to a fantastic start. It has been wonderful to see growing confidence in the water, alongside noticeable improvements in both stamina and technique. We look forward to seeing the children continue to develop these important life skills over the coming weeks.

Although there are now only four weeks remaining of the academic year, there is still so much to look forward to. Please keep an eye on future newsletters and our social media channels for updates, important information and details of the many exciting events still to come as we make the most of the final weeks of the year.

Dates for your Diary

Date	Grenville Site	Cornwallis Site	BOTH
Monday 22nd to Friday 26th June		Year 6 Swimming Lessons every afternoon	
Monday 22nd June		Year 5 Big Sing Festival at Rugby School

Week beginning 15th June 2026

These are the questions we have discussed in school and in assemblies this week.

We would like to share these questions with you so that, at home, you can take some time to discuss with your children the music and the songs they have listened to.

Why is music important in musicals?

How does singing help tell the story?

What makes musical theatre exciting?

Would the story work without music?

Miss Stonell and Mrs Patel

Week beginning 22nd June 2026

These are the questions we have discussed in school and in assemblies this week.

We would like to share these questions with you so that, at home, you can take some time to discuss with your children the music and the songs they have listened to.

Why is music important in games?

How does music create excitement?

Which tune was easiest to remember?

How does looping music work?

What would games feel like without music?

Miss Stonell and Mrs Patel
