

Dear Parent,

Every year schools in England receive a PE and Sport Premium Grant (PEG) to make additional and sustainable improvements to the quality of PE and sport that they offer.

This means that the premium should be used to:

•develop or add to the PE and sport activities that the school already offers;

• Make improvements that will benefit pupils joining the school in the future.

There are 5 key indicators that schools should expect to see improvement across:

- the engagement of all pupils in regular physical activity the Chief Medical Officer guidelines recommend that all children and young people aged 5 to 18 engage in at least 60 minutes of physical activity a day, of which 30 minutes should be in school
- the profile of PE and sport is raised across the school as a tool for whole-school improvement
- increased confidence, knowledge and skills of all staff in teaching PE and sport
- broader experience of a range of sports and activities offered to all pupils
- increased participation in competitive sport

Our aim at Henry Hinde Infant School is that the additional investment will lead to all pupils leaving primary school physically literate and with the knowledge, skills and motivation necessary to equip them for a healthy lifestyle and lifelong participation in physical activity and sport.

We aim for:

- The engagement of all pupils in regular physical activity.
- The profile of PE and sport being raised across the school.
- Increased confidence, knowledge and skills of all staff in teaching PE and sport.
- Broader experience of a range of sports and activities offered to all pupils.
- Increased participation in competitive sport.
- A focus on children's well-being to support their physical and mental health

It is the responsibility of the School Governors to ensure that we are spending this funding wisely. By way of keeping you up-to-date with PE and Sports Premium Grant, I have detailed below the how we intend to spend the funding for this academic year.

Number of pupils and pupil premium grant received (2022-23)					
Total number of pupils on roll 135					
Total number of pupils eligible for PEG	91				
Amount of PEG received £16,910					

Key Objectives

- Engagement of ALL pupils in regular physical activity
- Profile of PE and sport being raised across the school as a tool for whole school improvements.
- Increased confidence, knowledge and skills of staff in teaching PE and sport.
- Broader experience of a range of sports and activities offered to all pupils.
- Increased participation in competitive sport

How will we reach these?

- Relaunch lunchtime activities
- Introduction of real Dance
- outside providers to extend provision;
- Audit and extend use of equipment.
- Raise the profile of unstructured physical activity
- Increase physical activity in children
- Training to all staff
- Provide children with the opportunities to experience a wide range of physical activity
