Henry Hinde Update

It's been a real treat to look out of the window today and see the playground bathed in sunshine. After weeks of grey skies and soggy socks, the sight of children running around without needing to wring out their coats felt like a small miracle. Long may this bright spell continue.

Wilder Schools Community Action Day— Our school grounds have been a hive of activity lately, and Mrs Nevin is delighted to share an update from our Wilder Schools Community Action Day. Year 5, supported by members of our school community and the brilliant team from the Warwickshire Wildlife Trust, rolled up their sleeves and got stuck into some serious outdoor work. Together, they planted an orchard of more than **40 fruit trees**, created a beautiful wildflower meadow and built a variety of habitat structures — the kind of places local wildlife will soon be calling “home sweet home.” The children worked incredibly hard, and one was even overheard saying, “I never knew nature could be so fun!” We're considering putting that on a poster. A huge thank you to everyone who volunteered their time or donated a fruit tree. Your generosity has helped create something truly special for our school and community.

TLET Talent Show: Celebrating Courage and Creativity— Miss Stonell and Miss Crowther would like to shine a spotlight on the pupils who represented our school so wonderfully at the TLET Talent Show. Talent, courage and school spirit were out in full force as our young performers stepped onto the stage. A huge well done to every child who took part — it takes real bravery to perform, kindness to cheer each other on and loyalty to represent our school with pride. Behind the scenes, pupils were just as impressive, working through microphone checks, tech runs and rehearsals with teamwork that would make any theatre crew proud. From the first practice to the final bow, their dedication made it a night to remember.

Book Fair Returns Next Week— We're excited to be hosting another book fair next week with the support of Hunts Book Shop. The fair will be open after school on both sites, and we'd love to see you there. Whether you're hunting for a new bedtime favourite, a gripping adventure or simply a book your child insists they must have, there'll be plenty to explore.

We break up for Easter on Friday March 27th and the children will return on Tuesday 14th April 2026.

Week beginning 16th March 2026

These are the questions we have discussed in school and in assemblies this week.

We would like to share these questions with you so that, at home, you can take some time to discuss with your children the music and the songs they have listened to.

How old do you think this music is?

What instruments can you hear?

How is this different from pop music?

Why do people still listen to this music?

Which piece surprised you most?

Miss Stonell and Mrs Patel

Week beginning 23rd March 2026

These are the questions we have discussed in school and in assemblies this week.

We would like to share these questions with you so that, at home, you can take some time to discuss with your children the music and the songs they have listened to.

How does this music make you feel?

Why does reggae feel relaxed?

What messages do these songs give?

How does rhythm differ from pop music?

What places does this music make you imagine?
