Weekly Update

It was lovely to see so many of you from both sites at the phonics workshop on Wednesday where we learnt together how we can work together to support your child learning to read.

Thank you to everyone who attended the Year 4 exhibition yesterday. Next week we have the Year 5 and Year 6 exhibitions.

As well as the expertise that we have throughout our staffing teams, we also use external agencies to support our development. Next week the Cornwallis site will be working with Challenge Partners over three days. Three senior leaders from different schools up and down the county will be working with the staff and children on our Cornwallis site to look at what is going well and what could be even better, The following week it is the turn of our Grenville Site.

Safety is our paramount concern as a school. On Thursday we will be having an external Safeguarding audit.

We look forward to sharing the results with you in due time.

Don't forget the Parent Forums coming up where we want to gather your thoughts on communication across both sites so that we can produce a more streamline approach.

Christmas Performances

We are looking forward to seeing you at our Christmas Performances. The Dress rehearsals are open to Grandparents to attend. The children have started learning their words well.

If you have a pre-school child or baby, please come along to the Dress Rehearsal as well and not the actual performance. We want to make sure that every single child can be heard for their big moment on stage. If you arrive with a pre-schooler or baby you will not be allowed in unless it is for the Dress Rehearsal. We really appreciate your co-operation with this.
