Henry Hinde Update

The last few weeks have been a hive of activity across the school, filled with sunshine and wonderful opportunities for our pupils and staff. It has been a joy to see so many children engaged, confident, and enjoying everything that this busy part of the year brings.

Our Colour Run was a tremendous success and brought together a large number of our families in a vibrant and laughter filled event. We are extremely grateful to our dedicated PTA, Friends, whose hard work and commitment ensure that our pupils benefit from exciting trips, events, and additional resources throughout the year. As some of the team prepare to step down at the end of this school year, we are looking for new volunteers to join the committee so that these fantastic events can continue. If you would like to find out more, please email the school office and we will connect you with the team.

Miss Stonell led Year 5 on a wonderful visit to the Big Sing Festival at The Close, which provided an excellent opportunity for our pupils to take part in a large-scale musical event. They represented the school admirably and we are very proud of them.

Preparations for our end of year productions are also well underway across both sites. Staff and pupils have been working hard on rehearsals, staging, props and costumes, and the excitement is building as performance days draw closer. These events are always a highlight of the school year, showcasing the creativity, teamwork, and confidence of our pupils. We look forward to welcoming families to share in these special moments.

Transition activities are now in full swing at Cornwallis. Year 6 have welcomed staff from the Rugby secondary schools, and some pupils from Grenville have visited to explore their new setting ahead of transition days on the 8th and 9th of July. It has been encouraging to see pupils growing in confidence as they prepare for the next stage of their school journey.

A reminder that you are welcome to drop in and meet your child's new teacher at the end of the day on Wednesday. This is a valuable opportunity to build those early connections ahead of September.

Our sports afternoons have also been a great success. Thank you to Miss Coulson and all staff involved for the significant planning and preparation that goes into these events. The pupils have thoroughly enjoyed taking part and celebrating each other's achievements. I know that the staff races have been a firm favourite this year!

The next two weeks will continue to be full of events and celebrations. Please keep an eye on our social media channels for dates, details and additional information.

Monday 6th July will be the final Celebration Assembly.

KS2 (SATs) Results Update

Due to a national delay, schools will now receive this year's KS2 test results on 16th July, rather than 7th July. Please be assured that this delay is not related to the marking or accuracy of the tests and will not affect pupils' transition to secondary school.

We will share individual results with families as soon as possible after we receive them. Thank you for your patience and understanding.

Pedestrian Crossings

There have been reports of unsafe moments around the pedestrian crossings outside school, especially during busy drop-off and pick-up times. Please take extra care when approaching the crossings: slow down, stop fully when pedestrians are waiting, and avoid parking or dropping off anywhere that blocks visibility.

These small actions make a big difference to keeping our children safe. Thank you for helping us maintain a safe environment for everyone.

Week beginning 29th June 2026

These are the questions we have discussed in school and in assemblies this week.

We would like to share these questions with you so that, at home, you can take some time to discuss with your children the music and the songs they have listened to.

How does music create the feeling of water or waves?

Which instruments sounded calm or stormy?

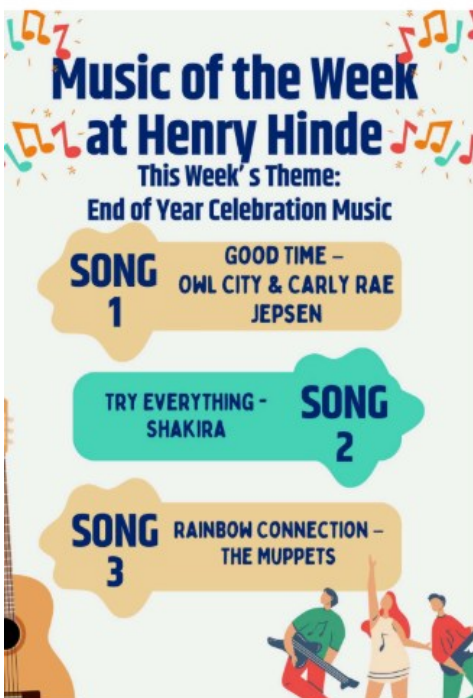

Why do composers write about the sea?

What images came into your mind?

How can music make us imagine places?

Miss Stonell and Mrs Patel

Weeks beginning 6th and 13th July 2026

These are the questions we have discussed in school and in assemblies this week.

We would like to share these questions with you so that, at home, you can take some time to discuss with your children the music and the songs they have listened to.

Which song best represents this school year?

What achievements should we celebrate?

How does music help create memories?

Which song would you choose for the final assembly?

What kind of music would represent your class?

Miss Stonell and Mrs Patel

THE BIG FUTURE

**The Children's Commissioner,
Dame Rachel de Souza, has
launched The Big Future survey.**

It's your chance to have your say on what it's like to be a child or young person in England today - what you love, what worries you, how you have fun, and the changes you want for a better future.

There are questions about voting, school, your area, online safety, and space for you to tell her what you think is important!

**It takes less than 10 minutes to
complete the survey.**
