Henry Hinde Update

We have plenty to look forward to over the next couple of weeks. Science Week begins on Monday, and Miss Bainbridge and Mrs Walton have been busily preparing an exciting line-up of activities and a visitor to spark curiosity and wonder across the school. Our talented children will also be taking to the stage on Thursday as the finalists perform in the Talent Show – details on how to buy tickets can be found in the flyer included in this newsletter.

Mrs Nevin has finalised plans for our Wilder Schools Community day next week. We are all looking forward to welcoming the Year 5 parents to work alongside their children in planting trees, creating a wildflower meadow and creating habitats for wildlife. We are very appreciative of the kind donations of a wide range of fruit trees which will be planted to begin our Henry Hinde orchard. Mrs Nevin is dedicated to this task and goes over and above to think of exciting ways to enhance our school grounds.

It's been a busy week of Parents' Evening consultations, and we really appreciate the positive conversations and partnership working. If you were unable to attend, please contact Mrs Hone or Mrs Gaskin to arrange an appointment or phone call – we value every opportunity to work together for the very best outcomes for our children.

Yesterday's World Book Day celebrations were a real highlight. The children and staff looked absolutely fantastic, and the joy around school was infectious. A huge thank you to Miss Bale for sharing ideas with staff, and to our wonderful Friends group for providing such brilliant prizes for the competitions.

Finally, we celebrate the latest sporting success of our children. A massive well done to our Year 5 and Year 6 pupils who represented us so brilliantly at the local cross-country races. Our Henry Hinde football team have been victorious once again under the leadership of Coach Batchelor. It is wonderful to observe the determination, teamwork and encouragement of one another, we are incredibly proud of every single one of you. Thank you, as always, to parents and staff for your ongoing support—it makes all the difference.

Save the date—Red Nose Day on March 20th. Further details to follow next week.

Congratulations!

To Daisy-Mae in Year 3 for achieving her 20m Rainbow Swimming Award.
