Weekly Update

A round-up of our week...

As Scientists, Year 2 have taken their learning outdoors to investigate micro-habitats. They explored our Forest School to find where minibeasts were living and discuss why they live there.

Meanwhile, Science in Year 1 has involved our children taking their shoes and socks off as part of their learning. They have been on a bare-foot walk to start their learning about the 5 senses.

Reception have been Historians. They have handled and observed a number of artefacts and then sorted them into groups of old and new. The telephone with a dial has certainly attracted their interest!

Harvest Festival

Come and join us in the school hall on Wednesday 25th October at 9.15am as we celebrate Harvest led by our Year 1 and Year 2 children.

We have decided to continue supporting Rugby Food Bank this year through the contribution of items from the shopping list below.

This amazing charity, based near the town hall, gives out free food parcels to those that have no other option to feed their family.

As a school we hold vouchers for the Food Bank and will happily give them to you if you ever find yourself in a situation where you do not have enough food to feed your family. Please do not go short as there is help at hand. If you ever need support please ask to see Ms. Carly Solomon who is our Home / School Support Worker. Ms. Solomon can talk to you over the 'phone or you are welcome to come in and have a cup of tea and a chat. Confidentially she can issue you with a voucher so that you can collect food. Last year we gave out several vouchers.

If you are in a position where you could purchase one additional item from the list, we will be collecting them from Monday 16th October.

Parents have until Tuesday 17th October to take advantage of free delivery back to school.

School Drop Off

Please remember that children should always be accompanied onto the playground in the morning until their teacher collects them. If you are late, an adult should bring the child into the school office and inform as to the reason for the lateness. It is not acceptable, even if you are running late, to drop children at the school gate to make their own way into school.

School closes at 3.15pm on Friday 27th October for half term and re-opens on TUESDAY 7th November at 8.45am.

Monday 6th November is a Teacher Training Day.

The Nurture Group 10-Week Programme

10-week programme for parents/carers at:

Henry Hinde Junior School
Cornwallis Road, Rugby
CV22 7HN

The Programme starts on the 20th November and lasts
till the 5th February at 12:30 – 14:30

Being a parent is exciting and rewarding but there are also times
when children behave in ways that are challenging.

The Nurturing programme helps deal with those challenges so that
you can have a calmer, happier life.

The 10-week Nurture Programme gives parents/carers practical
tools and information to support you to raise happy, confident, and
emotionally resilient children.
