

Amazing Animals

Year 1

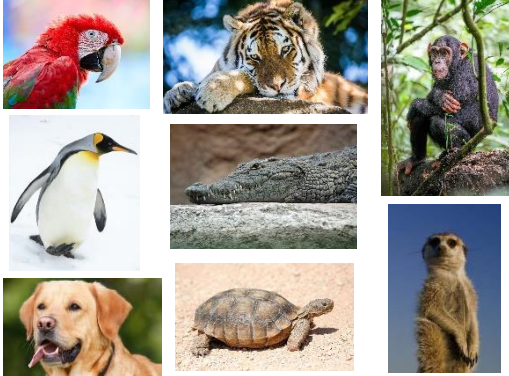

Spring Term 2

Thoughtful Questions

In what ways are animals amazing?

Key Vocab:

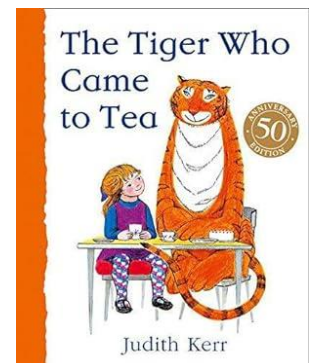

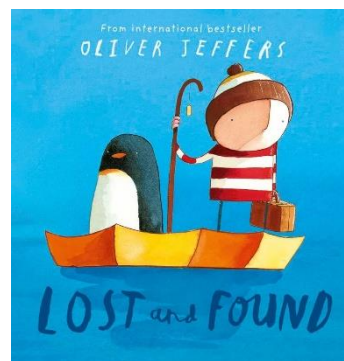

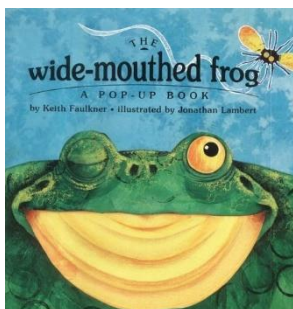

Spring, climate, weather, town, countryside, habitat, human features, physical features, environment, woodland, arctic, desert, underwater, temperature, weather, David Attenborough, Jane Goodall, Steve Irwin, endangered, extinction, carnivore, herbivore, omnivore.

Top facts: What I should know...

A habitat is the natural home of an animal. Animals that are endangered are at risk of extinction. Steve Irwin was known as 'The Crocodile Hunter'. He rescued crocodiles and stopped them from being hunted and killed. David Attenborough studies animals and makes documentaries about the natural world. He helps to protect the planet and save endangered animals. Jane Goodall helps to protect chimpanzees.

Key Texts:
