### Summer Term

It does not seem possible that we are in the final term of the year already. As the restrictions have eased significantly, we are now in a place when we are able to invite you into school.

In a 'normal' year, you would have been invited to join us for numerous events throughout the year. We aim to put on a range of events at different times during the week and day in order to try and help you attend a few (or all) if you are able.

Have a look carefully through this week's newsletter to find out about some of the up-coming events starting with celebrations for the Queen's Platinum Jubilee.

We appreciate that you may not be able to attend all of the upcoming events, but we are looking forward to seeing you at hopefully some of them.

### Kenilworth Castle

Year 1 visited Kenilworth Castle on Wednesday this week to conclude their learning about 'Turrets and Tiaras'. They learnt about some of the past residents of the castle and how it had changed over time. It was lovely to hear the children using the vocabulary that they had learnt over the previous weeks whilst describing the position of the portcullis and battlements and where the trebuchet may have been used. A huge 'thank you' to all the adults who helped make this a possibility.

### Reminder

For PE, your child needs to wear navy or black joggers and top with a white t-shirt.

We have a number of children who are still wearing highly coloured clothes. If you need assistance please speak to the office of your child's teacher and they will be able to help you.
