

What is safeguarding?

- Keeping you safe and healthy at school and at home
- Making sure that you feel safe in your environment and are protected from harm from both adults and other young people
- Educating you to know how to keep yourself safe

When can I speak to someone?

You or a family member can talk to a member of staff at any time about a worry or a concern that you may have about yourself or a friend.

You can report your concerns to one of our Designated Safeguarding Leads. You can also email Mrs Flaig, Home School Support, flaigj@henryhinde.tlet.org.uk

You can speak to a trusted adult that you have identified on your network hand at any time.

Why is it important?

From time to time, students can suffer abuse from adults and also other young people.

Abuse can be physically, sexually or emotionally harmful or neglectful. It can happen in person or online, at home, school, or in the community.

We want to make sure that everyone at Henry Hinde School is protected from abuse and harm.

How will you keep me safe?

- We will educate you to ensure a strong culture of diversity and inclusivity where difference is celebrated positively.
- We will educate you to keep yourself mentally and physically healthy.
- We will educate you to stay safe online and out in the community.
- All Henry Hinde School staff are trained to spot the signs of abuse or neglect.
- Staff are trained to deal with incidents of abuse from adults to children and also abuse that can occur between young people.
- We will always listen and act upon your concerns. This may involve working with your parents or carers or getting help from other services outside of school.
- Your wishes and feelings will always be considered.
